

THE UNIVERSITY OF FLORIDA &
NASDA FOUNDATION PRESENTS:

WOMEN'S FARM2FOOD ACCELERATOR

Next program starts January 2022!

The Farm2Food Accelerator empowers Florida's women farmers (including ranchers, producers, growers, fisherwomen, beekeepers and other related agriculturalists) to become more resilient by providing practical tools and knowledge to increase income stability. The free online program generously sponsored by the U.S. Economic Development Administration for up to 10 women farmers provides a unique opportunity to:

- Connect with a community of women farmers and local experts
- Learn how to launch a food or beverage product
- Participate in live 1.5-hour weekly discussions with guest speakers
- Gain new skill sets related to packaging, pitching to buyers, and more

Visit www.f2faccelerator.org to fill out an application and register for an info session!
